-Before printing grade cards, teachers must verify their grades. At the end of each nine week period, grades are uploaded into WVEIS (the WV information system) and grade verification sheets are printed. Teachers review and sign these reports. If changes are needed, teachers must update the grades recorded in Edline.

### Purple/White Cards

At the end of each nine week period, an Academic Pep Rally will be held. Students who have earned all A's during the previous period will receive a Purple Card. Purple Cards give students free admission to school events. Students who have earned all A's and B's receive a White Card. White Cards give students half-off admissions to school events.
